

Selbstdarstellung State Street Anfang 2009

About Us

OVERVIEW

Serving the specialized needs of institutional investors

With \$14 trillion in assets under custody* and \$1.7 trillion under management*, State Street is the world's leading provider of financial services to institutional investors. Our broad and integrated range of services spans the entire investment spectrum, including research, investment management, trading services and investment servicing.

An industry leader

State Street has earned its reputation as a leader by successfully meeting the changing needs of our customers for more than 200 years. Today, we rank among the top financial service providers in all of the markets we serve.

- No. 1 provider of U.S. mutual fund custody and accounting services
- No. 1 servicer of U.S. pension plans
- No. 1 investment manager of institutional assets worldwide
- No. 1 investment manager of U.S. institutional tax-exempt assets
- No. 3 assets under management worldwide
- Leading custodian worldwide
- Leading offshore fund service provider worldwide
- Leading provider of securities finance services worldwide

A tradition of financial strength

Our company's history of strong, solid financial performance** is supported by our leadership role in developing the industry's leading products and services for global investors.

- Operating-basis earnings per share growth consecutively for the past 30 years**
- Operating-basis earnings per share growth of 14.5% compounded annually over the 10 years of 1997-2007**
- Operating-basis return on shareholders' equity of 17.7%** in 2007
- Total assets under custody grew from \$3.9 trillion in 1997 to \$15.3 trillion in 2007
- Total assets under management grew from \$390 billion in 1997 to \$2 trillion in 2007

A global network

With more than 28,700 talented and dedicated employees in our offices all over the world*, we offer customers the benefit of a global perspective backed by local industry expertise. State Street maintains operations in 26 countries covering all major investment centers. Our network spans more than 100 geographic markets,

facilitating our customers' investment strategies anywhere in the world where they see opportunity.

By leveraging the strength of an integrated global network and an impressive infrastructure, we provide our customers with a worldwide platform for growth, creating custom-tailored solutions that can support even the most complex investment strategy in virtually any market.

A focus on relationships

At State Street, we understand that each investor's needs are unique. We work closely with our customers to identify key challenges and opportunities — building long-term business relationships, establishing effective growth strategies and providing the right mix of products and services to support their objectives. No matter where our customers choose to invest — or how complex their needs — at State Street, we are committed to providing global investors with the integrated products and services that help them succeed.
