

Selbstdarstellung Albright Group, Januar 2009

Founded in 2001, The Albright Group LLC works with companies to expand their business while making positive contributions to the larger global community. We work to leverage our diverse set of skills and experience to the benefit of our clients and markets around the world. We take a hands-on approach and work closely with clients to deliver meaningful results.

We Help Clients

- Build successful strategies to meet their global business objectives
- Establish on the ground political, corporate, and non-governmental partnerships
- Manage crises
- Identify and address political and regulatory risks
- Offer primary research to supplement or rebut published analyses of markets
- Analyze privatization opportunities and offer strategic counsel for foreign investments
- Find private sector partners and broker strategic agreements
- Enhance corporate responsibility and citizenship
- Build strategic relationships with opinion leaders

Samples of Success

Since 2001, The Albright Group LLC has supported industry leaders in health care, telecommunications, insurance, entertainment, consumer products, water, information technology, energy, emergency response and environmental protection, among others. Our clients have included Fortune 50 companies, funded startups, foundations, labor unions, law firms and not-for-profit organizations. Among our successes, The Albright Group has assisted by:

- Addressing political risks for Fortune 50 clients associated with environmental, demographic, and trade-related issues in East and South Asia.
- Repositioning client as the world's leading global risk advisor.
- Negotiating a positive outcome of a regulatory dispute in Asia with substantial gains for a client.
- Securing decision by Chinese government to enforce regulations within a regulated industry, giving client new tool to combat competitor's unethical marketing practices.
- Identifying potential purchasers and concluding purchase of a start-up by a state-controlled company.
- Reopening a restricted tender process in Eastern Europe and helping client win transparent government bid.
- Winning commitments from political leaders in Western Europe, Latin America and the Middle East to build public-private partnerships for specific health objectives.
- Winning C-Suite approval in North America and Europe for assessment and mitigation of risks as proposed by client.

- Engaging senior governmental officials in Africa to increase the effectiveness of a multi-million dollar public-private partnership combating HIV/AIDS.

The Albright Group respects the confidentiality of our clients. We would be happy to discuss additional examples of our successes if you [Contact Us](#).
