A baby is born – and perhaps a future fan of the FC Bayern! Parents who are fans of Germany’s most successful football club and wish to pass their passion on to their offspring can do so with this book. Baby’s first time in the FC Bayern romper suit, the first ball kicked by baby him or herself and of course the first goal scored – everything finds its place here. The book does of course also contain the classic elements of a baby album, and thus there is room for all the major developmental stages as well as the baby’s footprint – perhaps even in the colours of Bayern?

The finished, filled-in book is a superb, unique memento which the future football fan will enjoy leafing through again and again and where he or she can retrace how they have developed in parallel with their club.
